Hello everyone.

On Monday, I shared Sunday's gospel with the children where we heard about the fishermen who left all that they knew to follow Jesus. The children reflected on what an important job this was, how these men would have felt and importantly how we too are called to do this in our own lives. The children shared how they can follow Jesus' path in their everyday lives and how the sharing of the talents which they are given is a part of this. Spending time with our children in and around school we see these talents being shared in so many ways, from P.E. to Music, Maths to Art, they never fail to blow us all away. As we look ahead to the coming weeks, we look forward to finding out more about these talents through our St Philip's Got Talent celebrations.

Our next Family Mass will take place on Saturday 3rd February at St Philip's Church at 6pm. It would be wonderful to see as many of you there as possible. If you are planning to attend then please can I ask you to complete the google form via the link below.

### Celebration of Marriage and Family Life

On Saturday 3<sup>rd</sup> February at 2pm, there will be a celebration of Marriage and Family Life in St. Peter's Church, followed by a shared table celebration in the Parish Centre. This is a parish community event where we're looking to celebrate and support marriage, as well as support those people who experience difficulties, including divorce, separation and bereavement. There will be a service with reflections, music and an opportunity to renew your wedding vows. Everyone is welcome, whether single, married or in a committed relationship and we would particularly like to invite non-Catholic husbands/wives to take part in this occasion.

### Measles

As you have probably heard from the press, there has been a significant increase in measles cases in England since October 2023. Stockport Local Authority have produced some further guidance on how our community can manage measles. This can be found at
