Hello everyone,

Today you will receive your child/children's report for this academic year which has been written by their current class teacher. We hope that you enjoy sharing it at home and celebrating their progress throughout this year.

As always, we very much value your comments and so this year we are giving you the opportunity to comment on your child/children's progress through our report comment form which can be found alongside the report. These comments can then be returned to the office.

Wishing you all a wonderful weekend and we will look forward to seeing you on Monday, hopefully with big smiles and cheers on our faces!

God bless,
Mrs Holland

Come on England!

I have heard that there is an important football match taking place on Sunday evening!

To recognise the effort, resilience and teamwork which the team have shown the children are invited to come into school on Monday wearing red, white and blue or an England football shirt.

Trim Trail

It has been wonderful to open up our new Trim Trail to the children this week and see the enjoyment in their faces as they explore it together. For health and safety reasons, we kindly request that all children **do not** use it before or after school.

Aladdin Trouble

Well done to all of our amazing Year 5 and Year 6 performers!

Sustainable Travel:

As our Year 6 pupils are approaching the end of their time at Primary school and looking ahead to starting new schools in September I would just like to highlight TfGM's school travel support.

TfGM have a dedicated webpage to encourage sustainable travel to and from high schools. The link is :

Stockport's pop—up uniform shop will be open from 10th—17th August in Mersey Way.

Goodbye and Good Luck

As we near the end of the school year, we prepare to say good bye to our Year 6 children and wish them luck as they move onto their new schools. As part of this we will have a Leavers' Mass on **Monday 22nd July at 9.15am** and a Leavers' Assembly on **Tuesday 23rd July at 9.15am**. All are welcome to join us in school for this.

Books, Books and more Books!

As a school we are passionate about providing a range of texts for our children, however this is only sustainable where these are well looked after and returned to school promptly.

As part of our preparations for the new school year, we are in the process of collating and auditing our books. We would therefore ask that over the coming weeks you check at home for any additional school books which may be lying around and return them to school. Thank you.

Dying for a dip?

Every year people drown in open water around Greater Manchester.

It's not worth the risk, be safe around water.
