Hello everyone and welcome back!

You will notice that this is a slightly shorter newsletter than usual! Now that our website is up and running, we will be using the School Spider app, the news section of the website and Class Dojo to share information with you. In addition, all dates will be displayed on the school calendar (follow the link at the top of the page to see more).

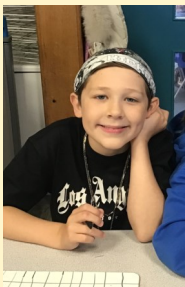

Today is Class Hero Day at St Philip's where the children will find out more about who their nominated individual is. The children will spend time throughout the year finding out more about their life, their work and the impact which they have had on our world today.

I wrote to all parents this week about our new St Philip's Project Tree which the children will be bringing home over the coming days. Class teachers would love to see the children working on their projects at home so please don't forget to share some photos via Class Dojo.

Have a wonderful weekend.

Mrs Holland :)

The St Philip's Swap Shop is now open and is welcoming visits. Here you will find a selection of used, good quality uniform which is looking for a new home. For more information, please visit the school office.

## A Prayer For All Saints Day, by Jan Richardson

God of the generations,  
when we set our hands to labor,  
thinking we work alone,  
remind us that we carry  
on our lips, the words of prophets,  
in our veins, the blood of martyrs,  
in our eyes, the mystics' visions, and  
in our hands, the strength of thousands.
